

HOTEL COSMETICS

THE SPA COLLECTION

Improve the quality of the stay for your visitors in an instant!

This iconic collection is characterized by a mild, vegan formulation with a fresh citrus scent. The cosmetics are lightly perfumed, lightly foaming, dermatologically tested and without extra unnecessary additives. High-end skin care made for daily use.

The team at Bay West Caribbean has selected the best of the best for you and knows everything about The Spa Collection to help you select the right solution for your situation.

All items in this brochure can also be tailored with your company logo and information. Ask our team for the tailored solutions!

Prices on the final quotation are leading.

Prices for custom items on request.
