Capacity Toilet Paper
Dispensers
473208 White
473200 Black

The Tork Coreless High Capacity Bath Tissue system is ideal for medium to high-traffic washrooms with high focus on guest satisfaction. It ensures high efficiency and that toilet paper will always be available for guests by holding up to five times more paper than two conventional bath tissue rolls. Coreless rolls for less trash to remove; Smart, stub-roll holder allows for full roll consumption to minimize waste; Compact horizontal dispenser saves space.

- See-through window indicates when it's time to refill
- Smart, stub-roll holder allows for full roll consumption to minimize waste
- Optimal roll brake avoids free spinning rolls and therefore reduces consumption
- Closed dispenser that keeps rolls protected for better hygiene

Compatible with the Tork Coreless High Capacity Toilet Paper 472880

Eliminate the unnecessary with our new Tork Coreless High Capacity Toilet Paper Dispensing System. We increase the value of our offer simply by giving less. And by less we mean no wraps, no waste, no plugs and no cores to deal with. It's 100% toilet paper – nothing more, nothing less. With less time spent on refilling and less risk of run outs, your staff can focus on what really matters – your guests' and employee experience.

TORK TOILET PAPER WITH OPTICORE®

Tork's patented OptiCore® technology is designed to reduce both waste and costs by ensuring every roll is used to its fullest. The bath tissue features rapid break-up, making it ideal for all plumbing systems—including those commonly found in the Caribbean—helping to prevent clogs and ensure reliable performance.

The patented Opticore® technology reduces waste!

Ideal for all plumbing systems.

100% recycled and exceeds EPA guidelines for post-consumer waste.

What is Opticore®?

Tork Universal High-Capacity Bath Tissue with OptiCore® combines premium performance with exceptional efficiency, so you never have to choose between quality and capacity. Thanks to Tork's patented two-part OptiCore® technology, each roll delivers up to **4,000 sheets**, making it the ideal solution for high-traffic washrooms.

- **Uses 25% less core material**, supporting environmental sustainability
- **Maximizes each roll** to reduce waste and lower costs
- **High capacity** means fewer refills and minimal risk of paper shortages
- **Rapid break-up** makes it safe for all plumbing systems—including sensitive ones
